5	The Structure of Scottish Local Government	204

PREFACE

The *Yearbook* is edited by H. M. Drucker and M. G. Clarke. The Unit for the Study of Government in Scotland acts as an editorial board. Additional copies of the *Yearbook*, back-copies of last year's volume, and further information about the Unit's activities can be obtained from the Editors at 31 Buccleuch Place, Edinburgh EH8 9JT, Scotland.

We are grateful to the Social Science Faculty of the University for a grant to the Unit which has helped us produce this volume; to Barbara Morris for drawing our maps; to the editor of the *Scotsman* for his permission to reprint his results table for the October 1974 General Election (Appendix 2); to John Bochel and David Denver for their table (Appendix 3) of results in the May 1977 District Council Elections; and most of all to our tireless copy editor Nancy Drucker.
